WHAT CYPRESS CARES IS ALL ABOUT:

Cypress Cares began in March of 2008 as a few neighbors sending care packages to a handful of deployed service members. Since then, we have grown our team to over 300 members! Cypress Cares is a 100% volunteer, community effort which relies entirely on donations, to provide care packages and words of encouragement to as many deployed US troops as possible.

In 2009, Cypress Cares was able to send over 1,400 packages to our service members, letting them know that no matter how we feel about the current conflicts they are involved in, we support them as individuals who have chosen to wear the uniform of the United States military.

To date, Cypress Cares has shipped over 2,100 packages to more than 500 different service members. Our motto is: *“Because our troops need and deserve our support.”*

Cypress Cares is a local chapter of the national group, Support Our Troops®.

Feedback from the Frontlines:

I just wanted to thank you for all the packages I have been receiving for several months of my deployment in Iraq. It's always a really good feeling when you get packages from people who care about you while you're overseas. But my deployment is coming to an end in February so my name can be taken off the mailing list. I'm sincerely grateful for all the volunteers and workers of Cypress Cares that made my deployment better.

SPC J. Chavez

Hey Cypress Cares thank you so much for the support out here while I am in Afghanistan, The package mean a lot to everyone here on my team so thank you again and God bless you guys for what you do for us.

G. Sellars

I just wanted to thank you for the numerous packages I have received throughout my deployment. I am grateful for your overwhelming generosity and time you have spent putting these gifts together. I have shared the packages with friends/co-workers and they too send their thanks.

J. Broome, US Navy
